

San Geronimo Valley Community Members~

Here are some important dates in the ongoing development of the Salmon Enhancement Plan for San Geronimo Valley. We invite your participation and feedback as the plan moves into final draft phase and then to the Board of Supervisors.

December 23, 2009: Final Draft of the Salmon Enhancement Plan

The final draft of the Salmon Enhancement Plan will be posted to the Marin Watersheds website (www.marinwatersheds.org) for review. The final draft considers comments received and was revised to clarify the concepts and applicability of the plan's recommendations.

January 12, 2010: Salmon Advisory Committee Meeting

5:00 – 7:00 pm at the Lagunitas School multi-purpose room. This is the last meeting of the SAC and the purpose of the meeting will be to go over the major revisions to the Final Draft SEP and to discuss the agenda and presentation content for the upcoming 1/21 community meeting.

January 21, 2010: Community meeting on the Salmon Enhancement Plan

A community meeting on the Salmon Enhancement Plan will be held on Thursday, January 21 at 7:00 pm in the Lagunitas School multi-purpose room. County staff and the SEP consultants will present an overview of the Final Draft plan, address questions and review potential implementation measures. A draft agenda for this meeting will be distributed in early January.

February 9, 2010: Salmon Enhancement Plan goes to the Board of Supervisors

The Salmon Enhancement Plan will be presented to the Board of Supervisors.

February 11, 2010: Building Moratorium in San Geronimo Valley Ends

As per state law, the moratorium on building permits in the Stream Conservation Areas of San Geronimo Valley ends.
